Call for participation

PRIDE EXHIBITION & HPC FORUM

/GRAND HOTEL ADRIATIC, OPATIJA, CROATIA/
31/MAY - 3/JUN/2016

We are pleased to invite you to participate in **HPC (High Performance Computing) for SME Business Advancement** Forum on **MIPRO/PRIDE - PRoject Information and Dissemination Event 2016** to be held in Opatija, Croatia on June 1st 2016. The event is organized as part of the SESAME Net project funded through the European Commission's program for research and innovation - Horizon 2020 and by joint effort of MIPRO, Ruđer Bošković Institute and Arctur d.o.o.. The Forum, dedicated to promoting access to computational expertise anywhere in Europe, aims to solve some of the main challenges faced by SMEs in efforts to advance their business. It will demonstrate best practices, applications and concrete actions for introducing HPC to SMEs in order to:

- Accelerate the innovation process and time to market
- Enhance competitiveness
- Develop new products and services
- Create innovative solutions

Successful use cases of HPC integration by SMEs through participation in the EU project FORTISSIMO will be presented. More on http://fortissimo-project.eu
